

# Bathlift

## Peter Pan

### Making life easy!

Back to the future - mobility without any need for external power sources - today and tomorrow.

Enter or leave your bath easily and safely - by yourself or with a little help - with the „Peter Pan“ bathlift.

The „Peter Pan“ is adjustable to stand safely in your bath. There is no possibility of slipping or tipping.

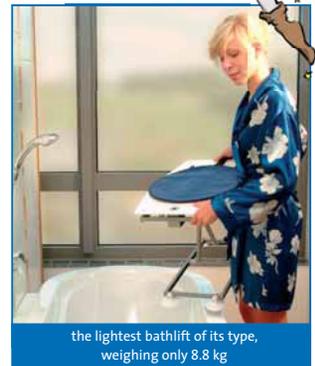

„Peter Pan“ is made of stainless steel and is extremely light in weight - only 8.8 kg.

You can have a bath when, how and where you want!

The „Peter Pan“ bathlift fits in any bath, even when you are on holiday.

„Peter Pan“ can be lowered down to 7 cm above the bottom of the bath and is easy to raise again to its original height.

Bathe with or without a backrest – you can enjoy a bath any way you like and are completely free to bathe, shower, wash and enjoy your normal bodycare routines!

the lightest bathlift of its type, weighing only 8.8 kg

Easy to use

### „TRIED AND TRUSTED“

so easy

### You can have a bath when, how and where you want!

Enjoy a relaxing full bath or a herbal or aromatherapy treatment!

Resists all known medical and other bath salts and oils, with its own seal of hygiene. „Peter Pan“ is even easier to clean and disinfect.

backrest offers added convenience

also comfortable without backrest

maintenance-free drive mechanism! - drive mechanism, handle, upper and lower frame, scissor lift system, spring drive mechanism – all made of rustproof stainless steel.

\*suction feet and soft disc excluded

\*patent pending no 102006037367.7

can be used anywhere - even on holiday

movable seat cover disc

## Stay mobile!

Say hello to the pleasure of a real bath!

Without the backrest, „Peter Pan“ can easily be used in treatment baths and whirlpools. It can be simply placed into the bath as it only weighs 8.8 kg and can be lifted at any point on the seat base.

The soft cover disc moves in all directions except to the front, and makes it easy to transfer safely onto the seat while allowing optimum freedom of movement in the desired bathing position.
